Ice Cream Cone Necklace Purse

Materials Needed:

- G crochet hook
- Worsted weight yarn in 2 colors - 1 for cone & 1 for ice cream scoop
 - We used Red Heart Super Saver (Buff for cone, White for ice cream scoop)
- 36 multi color pony beads
- 2 or more beads for embellishing & securing drawstring
- 17" of ribbon that matches ice cream scoop color (3/16" width or 5 mm ribbon)
- Yarn or tapestry needle
- Safety pin or stitch marker

Stitches Used:

Ch = chain

St = stitch

Sts = stitches

Sl st = slip stitch

FO = fasten off

Sc = single crochet

Hdc = half double crochet

BSC = beaded single crochet

Stitch Explanations:

BSC - Beaded Single Crochet: Pull bead up close to work. Keeping the bead in front of your work, insert hook in the stitch behind the bead and pull up a loop. YO (yarn over) and pull through both loops on your hook. The bead should now be on the top of the stitch and front side of purse.

Gauge:

We did not use a gauge for this pattern.

Special Notes Before Beginning:

- This pattern is worked in a continuous spiral stitch. Mark the last stitch of the round with a safety pin or stitch marker.
- We also suggest that you keep an extra safety pin handy to attach to the working stitch when you need to put your project down. This will secure and hold the stitch in place until you work on your project again.
- Finished size is approximately 19 $\frac{1}{2}$ " in total length. The ice cream cone is 3" in diameter when opened x 4" in height. *Note:* the total length is adjustable. 2

WHITE RUFFLE OR ICE CREAM SCOOP RUFFLE

1. Holding ice cream cone upside down, attach white yarn to a front loop of Round 12. We suggest starting at the back of the ice cream cone.
2. With your G hook, work the following sts in the FRONT loops: *3 hdc in next sc, skip next sc, sl st in next sc*, repeat from * to * around.
3. Sl st to next st to close round.
4. FO and weave in tails.

Ice Cream Cone Necklace Purse

DRAWSTRING

1. Cut a 17" piece of ribbon.
2. With yarn needle, weave ribbon through Round 18, starting at the middle of the front side of ice cream.
3. Pull ice cream scoop all the way open. Add desired beads to the ribbon that will help to pull the purse closed. Knot several times to secure beads in place and cut tails. Optional: you can add a dab of craft glue or Fray Check to the ends of the cut ribbon tails to keep ribbon from fraying.

NECKLACE

1. Using your G crochet hook, and leaving a length of tail for weaving, attach white yarn (ice cream scoop color) to a stitch on one side of the ice cream scoop.
2. *Ch 12, pull down 2 beads*, repeat from * to * 11 times more. End with 12 chains. (24 beads, 156 total chains or 13 ch-12 groups)
3. Using 1 sc, attach the other (loose) end of the necklace to the opposite side of the ice cream scoop, making sure it lines up with the already secured side of necklace.
4. FO and weave in all tails.

Necklace Adjustment Option #1:

You can make the necklace any length you want by simply adding or subtracting the number of chains. You might also need to adjust the number of chains in between the beads. In addition, you might use less beads or require more beads. It all depends on the length of your necklace! ☺

Necklace Adjustment Option #2:

Simply make the pattern as is and tie a knot in the back of the necklace to adjust the length!
