

Still There

AS Friday of this week is Flag Day, it's appropriate to test your knowledge of the symbol of our land. Do you, for instance, know that June 14th is designated as Flag Day because on that date the resolution describing the flag was adopted? Here are ten questions about the history, composition and proper display of Old Glory. Answers on Page 120

1. By what body was the flag resolution adopted (a) the Continental Congress, (b) the Constitutional Convention, (c) joint session of both Houses of Congress?
2. In what year was it adopted (a) 1774, (b) 1777, (c) 1793?
3. Who designed the present form of the American flag (a) Timothy Pickering, (b) Betsy Ross, (c) Samuel Reid?
4. The blue part of the flag, without the stars, is called the field. Give two names for it after the stars have been added.
5. The forty-eight stars are arranged in (a) six horizontal rows of eight stars or (b) eight horizontal rows of six stars?
6. Is there a Federal law against having gold fringe on the flag?
7. Who wrote the poem that gives significance to the title of this quiz?
8. If flag is displayed over a street running north and south, the field should be at (a) east side or (b) west side?
9. Who wrote the pledge of allegiance to the flag (a) Dolly Madison, (b) Baden-Powell, (c) Francis Bellamy?
10. The following are among the days on which the flag should be displayed: February 12, February 22, April 6, May 30, September 17, October 12, October 27, November 11. Name the days. —PAIGE REEDER.
